Carpenter Summer Program

Wahnapitae First Nation had their first Carpentry training program for Youth between the ages of 15 and 30 who have an interest in pursuing a career in carpentry. Sponsored by CMHC, Glencore and WFN. We want to thank them for all their hard work in completing 5 sheds, 1 Desk Siding the showers at Roq Park and building a beautiful Gazebo here at the band office. It was a great program and the youth would like to do something bigger next year. Good Luck with your studies this year.
